INTRODUCTION TO HANDGUNS AND SHOOTING

Instructor is Stu Wicklund, NRA certified and multi-state permit to carry instructor with 35 years of experience with all different shooting disciplines.

This course is designed to introduce the student to the principles of shooting, firearms safety, safe gun handling, and shooting a handgun.

Firearm knowledge and safe gun handling, types of ammunition, the fundamentals of handgun marksmanship, and firing your first shots

A Variety of firearms will be available for demonstration and to shoot, you may also bring your own firearm to become more comfortable with your particular firearm. Rental fee of \$25 applies for use of firearms, ammo is not included with rental.

Class will be limited to 10 students to guarantee a quality experience.

CALL TO REGISTER: 763-786-5880

Classroom and range time, total of 2 hours. Class fee is \$130, this does not include ammunition or rental. Ammunition is available for purchase, 50 rounds to match your pistol caliber.

Additional training available upon request. Group and individual lessons can be tailored to your needs.
