Handicap: The first round of league shooting will be shot with no handicap. That score will be used to determine each individuals handicap. Handicap is figured out by subtracting the shooters average from 24 for trap and 23 for combo and then multiplying the difference by 70%. The blind score for an absent shooter for trap will be 15 and for combo will be 11, no late scores will be accepted. Leagues will shoot for 12 weeks, the 6th and the 12th weeks will be position nights. On a position night the 1st place team shoots against the 2nd, the 3rd against the 4th and so on.

Team standings will be 2 points for a win and 1 point for a tie, and 0 for a loss. Teams still tied after position night will use the 7th weeks score to break the 1st half tie and will have a shoot off to break ties on the 2nd half. Shoot off's will be held Mar. 15th - Sunday March 21st. Shooters must shoot 10 of the 12 weeks to be eligible for awards and prizes.
