Due to Covid-19 we will not be having a dinner or formal ceremony.

We will instead be having a weekend drop by event where there will be several fantastic prize drawings and plenty of outdoor spaces for teams to get together in small groups.

Eligible participants of the league, (those that completed 16 weeks or more), will be given 6 tickets when they check in of which they can enter into multiple drawings or put all into one drawing. (Maximum amount of prizes able to be won is 1 prize per person per league. If you were in one league and your name is drawn a second time, the second drawing will pull another name as the winner of that prize.)

Shooters may check in anytime over the weekend to enter into prize drawings. As we are trying to encourage social distancing, the winners of each prize drawing will be drawn by staff after we close. The video of the drawing will be posted on facebook & the winners of the drawings will be contacted and posted on the board next to the league scores.
