

## HS Trap League 2018 Rules

\*\* ALL TEAMS HAVE 2 WEEKS TO CORRECT ANY SCORING ERRORS!

1. **Handicap:** The first round of league shooting will be shot with no handicap. That score will be used to determine each individual's handicap. Handicap is figured by subtracting the shooters average from 24. The difference is then multiplied by 70% to determine what the handicap is. No score with handicap will exceed 24. Teams will be placed into divisions depending on the total number of teams in the league.
2. **Blind Scores, Shoot Aheads and Substitutions:** The blind score for an absent shooter will be 15 with no handicap. Shooters may shoot as far ahead in the league as they would like. Inter-league subs are allowed but the subs average must be no higher than that of the missing shooter.
3. **League Schedule:** The league will last 10 weeks, the last week will be a position night. On position night, the team in first place will shoot against the team in second, the third against the fourth and so on. The teams still tied at the end of position nights will shoot-off for the final league standings. Each team will shoot 50 targets for shoot-off rounds. Team members must have all 10 rounds shot in order to participate in shoot-offs.
4. **Team Standings:** Team standings will be determined by two points for a win and one point for a tie. Team standings, individual averages and handicaps will be posted within the week after each league night.
5. **Awards:** There will be one place for every 4 teams in the league, the number of places for the league will be determined after the league schedule is set. Pins will be given to team high guns. (Must shoot 10 weeks to qualify for awards and pins)
