Note: Two birds awarded to winning team of each 3rd to use in shoot-offs.

**** ALL TEAMS HAVE 2 WEEKS TO CORRECT ANY SCORING ERRORS!**

1. **Entry Fee:** An entry fee of \$125.00 per team due by the third week of the league shooting. Any team that has not paid their entry fee by the third week will receive a No Score until the fee is paid.
2. **Weekly Fees:** Each shooter will pay \$12.50 weekly (\$10.50 member), rounds must be paid for before the team shoots. **League scores to be shot on or before the date provided in league book. No Late Scores Accepted.**
3. **Handicap:** The first round of trap and skeet will be shot with no handicap, beginning with Trap. That score will be used to determine each individual's handicap. Handicap is figured by subtracting the shooters average from 23. The difference is then multiplied by 70% to determine what the handicap is. No score with handicap will exceed 23. ****THE FIVE HIGH SCORES WITH HANDICAP WILL COUNT FOR TEAM COMPETITION.** All league scores will count for handicap and average. After 3 weeks of shooting- depending on known ability, last years average and the first 3 weeks average- teams will be placed into divisions depending on the total number of teams in the league.
4. **Blind Scores, Shoot Aheads and Substitutions:** The blind score for an absent shooter will be 15 with no handicap. Shooters may shoot up to three weeks ahead. Inter-league subs are allowed but the subs average must be no higher than that of the missing shooter. The maximum number of team members, including subs, is 10.
5. **League Schedule:** The league will last 20 weeks, alternating 5 weeks each of trap & skeet beginning with trap. The league is divided into two 10 week halves, with two position nights each half. On a position night, the team in first place will shoot against the team in second, the third against the fourth and so on. Position nights will be every 5th week of the league, teams still tied at the end of the first half will use the next week score plus one round of skeet to break the tie. Teams tied at the end of the last half will shoot-off (date will be posted and teams will be contacted) Shooters must have 18 rounds shot to be eligible to participate in the shoot-offs. The winners for each half will shoot 25 trap and 25 skeet to determine final standings. Any teams winning both halves will win first place in the league. **Must be present to win & have shot 18 rounds.**
6. **Team Standings:** Team standings will be determined by two points for a win and one point for a tie. Team standings, individual averages and handicaps will be posted within the week after each league night.
7. **Awards:** Individual awards will be given to High Combined Average, High Trap Average, High Skeet Average, and Team High Guns. A shooter may only win one individual award. There will also be a trophy for High Lady and High Junior if there are more than 3 ladies or juniors shooting (juniors must be under 18). To be eligible for High Lady or High Junior the shooter must write their name on the outside of the league book under Junior or Lady Shooters before the 18th week of the league.
