Note: Two birds awarded to winning team of each 3rd to use in shoot-offs.
** ALL TEAMS HAVE 2 WEEKS TO CORRECT ANY SCORING ERRORS!

1. **Entry Fee:** An entry fee of \$80.00 per team of 4 – 6 shooters is due by the third week of the league shooting. Any team that has not paid their entry fee by the third week will receive a No Score until the fee is paid.
Weekly Fees: Each shooter will pay \$12.50 weekly (\$10.50 member), rounds must be paid for before the team shoots. **League scores need to be shot on or before the due date to count towards team score (if team member does not have round completed at this time they are given a blind score of 15 with no handicap).**
A league shooter may make up the round later to use towards the individual score.
2. **Handicap:** The first round of league shooting will be shot with no handicap. That score will be used to determine each individual's handicap. Handicap is figured by subtracting the shooters average from 24. The difference is then multiplied by 70% to determine what the handicap is. No score with handicap will exceed 24. ****THE BEST 4 SCORES WILL COUNT FOR TEAM COMPETITION**** All league scores will count for handicap and average. After 3 weeks of shooting- depending on known ability, last years average and the first 3 weeks average- teams will be placed into divisions depending on the total number of teams in the league. You cannot establish a handicap with a small gauge gun and then switch to a larger one. If you start with a 12 gauge and then go to a smaller gauge you must stay to the smaller one.
3. **Blind Scores, Shoot Aheads and Substitutions:** The blind score for an absent shooter will be 15 with no handicap. Shooters may shoot as far ahead in the league as they would like. Inter-league subs are allowed but must be from the same division. If less than four people shoot, a dummy score of 15 without handicap will be used.
4. **New Rule on Broken Pairs-** Pairs must be shot as a pair to count in scoring. If both targets are broken in one shot, or one target comes out broken, the first target is established and scored. The shooter will then reshoot the pair and only the second target is scored.
5. **Team Standings:** Scoring is done on a point bases: two points for a win, one for a tie and zero for a loss. Team standings, individual averages and handicaps will be posted within the week after each league night.
6. **League Schedule:** The league will be divided into three six-week periods. There will be a position night the 6th week of each period, on position night the team in first place shoots against the team in second, the third shoots against the fourth, and so on. Any team winning all 3 thirds will win 1st place. In this event, second place, possible 3rd place will be decided by a shoot-off of the teams placing 2nd in each 3rd. Best 4 shooters scores count in the 50 bird shoot-off. All shooters in shoot-off must have shot league at least 16 times to be eligible for any awards. No substitution shooters allowed unless emergency arises – the sub that shoots must have an average of no higher than the missing shooter.
7. **Awards:** There will be one place for every 4 teams in the league, the number of places for the league will be determined after the league schedule is set. Individual awards will go to High League Average & Team High Gun. There will also be awards for High Lady and High Junior if there are more than 3 ladies or juniors shooting (juniors must be under 18). To be eligible for High Lady or High Junior the shooter must write their name on the outside of the league book under Junior or Lady Shooters before the 16th week of the league. A league member must shoot all 18 weeks by the last week of league to be eligible for High League Average, Team High Gun, & High Lady/High Junior Awards (16 weeks for team awards). Sponsor Trophies are available per request for an additional fee.
