**HANDICAP:** The first round of league shooting will be shot with no handicap. That score will be used to determine each individual's handicap. Handicap is figured by subtracting the shooters average from 24 then multiplying the difference by 70%. (23 for buddy & Combo Leagues). No handicap and raw score will exceed 24 (23 for buddy & combo leagues). Teams may have up to 10 shooters (2 for buddy). All scores are entered for the competition.

**The 5 High Scores with handicap count for team total.**

**Blind Score:** The blind score for an absent shooter will be a 15 with no handicap (11 for Buddy & Combo). No late scores will be accepted for competition.

Leagues will shoot 12 weeks. The 6<sup>th</sup> and 12<sup>th</sup> weeks of league will be position nights. On position night the first place team shoots against the 2<sup>nd</sup> place team, the 3<sup>rd</sup> place team shoots against the 4<sup>th</sup> place team and so on. Teams still tied after position night will use the next week score for a shoot-off using 50 targets.

Team standings will be 2 points for a win, and 1 point for a tie, and 0 for a loss.

**AWARDS:** Trophies will be awarded one place for every 4 teams. Individual awards will go to High League Average. You must shoot all 12 weeks to be eligible for trophies, prize drawings, and shoot-off's. Lady High Gun Award for divisions with 4 or more ladies participating.
